

Most Needed Food Items

Providing foods high in nutrition

In order to help our nonprofit partner agencies create and provide healthy meals for their clients, the Atlanta Community Food Bank strives to supply a variety of well-balanced, nutritious foods. Focusing on high-protein food items, we aim to distribute foods that will enable people suffering the ill effects of hunger and poverty to feel stronger and healthier. Some of the most needed food items are as follows:

Peanut Butter
Canned Tuna
Canned Beans
Canned Soups, Stews and Pastas
100% Fruit Juice
Canned Fruits and Vegetables
Macaroni and Cheese Dinners
Whole Grain, Low Sugar Cereals
